# SOMETHING TO THINK ABOUT

## EASTER REFLECTION

**Jesus Christ is risen. He is risen indeed! Morning has broken like the first morning.**

*'But on the first day of the week, at early dawn, they came to the tomb. They found the stone rolled away, but when they went in they did not find a body for He is risen!'  
Luke 24 (Paraphrased)*

It was the dry grass, heavily laden with glistening dew that first caught my eye before I raised my head and saw the mountains come into view, draped in mist and fog. What a glorious autumn morning. The golden sunlight crept across the last of the darkness of night bringing light to the new day. Everywhere I looked the golden fingers of light brought colour and life to a dark earth. Across the dew laden grass, across the bronze coloured vineyards, and through the fog in the valley, pausing a moment to reflect itself in the paddock dam filled with life giving water from some recent rain before it spreads its warm rays on the backdrop of hills and mountains, touching the horizon with a shade of pink as it gives a final fling and bursts onto the sky in pastel blue. The peewees vied with the crows to be the first to break the news of the arrival of the new day and I thought of a poem I had penned. 'Soft soft the morning mist did rise.....' Gifts from God, every one of them, gifts from God as I stand in awe of him. What spiritual fuel for the day. What spiritual fuel for life.

How did you start your Easter Sunday morning? When did you meet with God? Was it life giving and energy providing? Was it spiritually uplifting?

May your Easter Day be blessed with new beginnings. May your life be refreshed by the Easter experience and may God's peace be with you.

***Blessings

## Youth Care Canberra

How lucky we are to be able to manage and operate the Youth Care Canberra program. You may recall that my first job in the social and community services sector was as a "street worker" with the Newcastle Youth Service, so I am both familiar with and very committed to the work that the outreach model of service provides to the most disadvantaged and disengaged young people in our community.

You will of course be aware of the wonderful work that our Youth Outreach Worker, Zack Bryers, does with and for these young people and that he was recognised last year as the recipient of the ACT Yogie Award for Outstanding Youth Worker. He has recently developed a strong interest in an innovative approach to working with violence being used in the USA called "Cure Violence" which is based on the idea that we should treat violence like a contagious disease. Violence is a significant issue for many of the clients that Zack works with. For information about this approach I encourage you to look at the following: [www.youtube.com/watch?v=mtL6yD151IU](http://www.youtube.com/watch?v=mtL6yD151IU) and [www.youtube.com/watch?v=mtL6yD151IU](http://www.youtube.com/watch?v=mtL6yD151IU) Zack is currently taking the lead on talking to other local agencies about how we might apply this approach in Canberra and he is in the process of developing a Churchill Scholarship application to enable him to undertake a research study tour of sites in the USA in 2017.

I am also very excited that we have advertised to employ a 2<sup>nd</sup> youth outreach worker for the Youth Care Canberra program. Applications close 15<sup>th</sup> April and if you know anyone that would be interested in the position, please encourage them to contact me.

I note that National Youth Week will be held from the 8<sup>th</sup> - 17<sup>th</sup> April. It is an annual weeklong celebration of young people and is coordinated in the ACT by the Youth Coalition of the ACT and the ACT Government. This year they will be holding a Youth Week Festival and I encourage you all to attend. The Festival aims to promote both young people's current contribution to community and cultural life in the ACTR, but also to provide walk through patrons with information about opportunities for young people to engage in a range of cultural, sporting and other opportunities in the region. Further details can be obtained on the Youth Coalition of ACT website.

We hope that Taylor, Jen, Hannah and Josiah have enjoyed their time with us and pray for a safe journey home. We will miss you!!

**I Can't wait to tell you.....** How wonderful you are. We now have lots of people offering to take clients on our outings and for you to enjoy the outings as well.

**THANK YOU** so much to all who have volunteered, you are making a huge difference in the lives of those isolated at home and those clients are very excited at what we have planned for their outings. Cathy will be in touch with you to make the arrangements

### POSITION VACANT

We are looking for someone to coordinate our Community Lunches, which we would like to hold again this year.

We are simplifying the format, having ready made sandwiches and asking for donations of slices from our very generous community. The task would involve recruiting a small team to help set up the tables, plate up sandwiches and slices, make tea and coffee at the end, and then clean up.

We are anticipating having four lunches this year, the first one mid-April.

**If this sounds like something you would be interested in doing, please contact Libby in the Parish Office, phone: 6251 6100 or [office@holycovenant.org.au](mailto:office@holycovenant.org.au).**

In God's tomorrow...

“shalom” shall extend far beyond our simple notion of peace, to a rich and joyful flourishing of human experience. I can hear singing. I can see dancing. I see women and men, laughing and feasting together, knowing that all their work is done.

### PARISH CONSULTATION (RE APPOINTMENT OF NEW RECTOR)

Archdeacon Dr Erica Mathieson conducted our parish consultation on Tuesday night, 15 March. Forty-four people attended, with seven apologies. As some people may not have been able to attend in the evening, the Clergy Appointment Board (CAB) - Bob Arthur, George Gerrity and Beth Heyde - will be offering to chat, with anyone who wished to come but couldn't, after services at some stage over the next few weeks.

Each person at the consultation 'voted' on about a dozen significant topics that Archdeacon Erica had extracted from the draft parish profile:

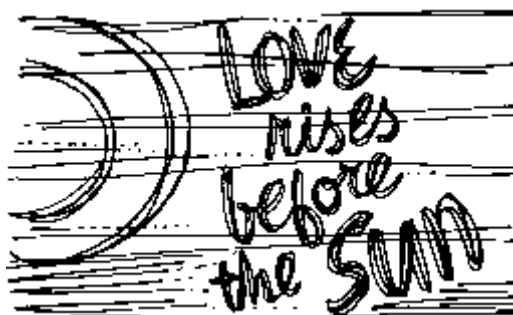

- \*once in relation to importance to the parish, and
- \*once more in relation to what we are seeking in our new Rector.

Topics were (in no significant order):

- Preaching and teaching, theologically enriched
- Pastoral care
- Working as a team
- Open to fresh ideas and inclusive
- Youth and children
- Community engagement/Creative worship
- Current programs - incl. rainbow groups, holistic care, meditation, Deep Dive, Breathing Space
- Enabling everyone's gifts
- Administration
- Building mutual support and trust
- Visionary leadership
- Anglican character

The relative weights of 'votes' will be calculated by Archdeacon Mathieson, and comments made during discussion will be reflected by the CAB members as appropriate in the updated parish profile. The next step will be to use the outcomes of the Consultation and the updated profile for a meeting of the Clergy Appointment Board with Archdeacon Mathieson, probably just after mid April, in preparation for identifying people with potential to become our next Rector.

**Meanwhile, please give any names you would like considered to one of the CAB members, as soon as possible.**

### PARISH COUNCILLOR PROFILE

We have another in our series of Parish Councillor Profiles where we aim to get to know more about our councillors.

This week we interviewed Naomi Cole. Naomi has been worshipping with us for just over 18 months and we asked her the following questions:

#### What nourishes you?

I need to exercise regularly, it makes me feel good to push myself and use the body God has blessed me with. It also gives me space and time to reflect without computers, television, phones etc. We're so privileged in Canberra to have so much open space and fresh air.

#### What are your passions?

I'm very moved by the desperate situation of too many in our community who are homeless. Homelessness includes those who are in insecure housing situations like couch surfing and staying in relationships that may not be safe due to a lack of alternative housing, and those sleeping rough.

I volunteer with Safe Shelter at St Columba's Church hall, Braddon, and will be looking for opportunities through Parish Council where we can make a difference. Keep an eye out in the Bulletin for updates on Safe Shelter training if you'd like to volunteer too.

You'll also often find me dancing; salsa, bachata, Cha Cha - anything with a Latin beat (well, any opportunity to kick up my heels!).

#### What do you see as your role on parish council?

To bring my public service experience to parish management and administration and look for opportunities for the parish to do God's work in our community both within the church and beyond. One of the wonders of life (of God's creation) I am increasingly present to is that the more I give, the more I receive. I'm privileged to have the opportunity to represent the parish community on Council and contribute to a wonderful, vibrant and big-hearted parish.

### Easter Sunday

*the world is charged with the grandeur  
of God*

Gerard Manley Hopkins

Easter is for the optimist.  
An extension cord  
powered by imagination  
connects to a caring creator  
to glow in the mind  
believing the unbelievable  
that humanity has a bright future  
and life is eternal.

For the pessimist  
unseeing, the door closes  
on such possibilities  
the blind mind denies  
darkness prevails  
the switch not reached.
